

RIPRAP CHUTE (OH-N-308-CAD)

** DRAWING INFORMATION **

1. This is a "fill-in-the-blanks" type drawing. Once the design is completed, write in the information for the Title Block, elevations, slopes, and dimensions as needed. If using the AutoCAD drawing file, type in the information and save your drawing to a different name.
2. This standard was redrawn in Nov. 2014 by Jim Rose, CET. Title block information was removed for posting to the web site in June 2015.
3. 04-2016: Minor revision to Profile View. The inlet section dimension was shown with an "inches" mark; this was changed to a "feet" designation (" changed to ').
